## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 7-15 allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art failed to establish a method for fabricating a semiconductor device including preparing a wafer with plurality of semiconductor chips with electrodes, forming connection members on the electrodes of the semiconductor chips by gold wire bonding where the connection member extend in direction perpendicular to the semiconductor chips and have a longitudinal shape and an area of contact with the wiring layer that is less than an area of contact with an electrode, forming an insulation layer in a thickness to cover the connection members, polishing insulating layer to expose the connection members, forming an electroless plated layer on the insulation layer and forming an electrolytic plated layer, etching off the electroless plated layer except regions of the electroless plated layer corresponding to the electrolytic plated layer to form the wiring layer and severing the wafer into respective semiconductor chips.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
